About us

Home-Start Spelthorne was launched in 1996 and has received over 1800 referrals for families living in the Borough of Spelthorne.

Home-Start Spelthorne believes that children need a happy and secure childhood and that parents play the key role in giving their children a good start in life and helping them achieve their full potential.

Home-Start Spelthorne offers friendship, emotional support and practical help to parents with young children.

Home-Start Spelthorne offers a unique service, recruiting and training volunteers - who are usually parents themselves - to visit families at home who have at least one child under 5 to offer informal, friendly and confidential support.

To help give children the best possible start in life, Home-Start Spelthorne supports parents as they grow in confidence, strengthen their relationships with their children and widen their links with the local community.

Our Team

Home-Start Spelthorne is an independent charity with trustees being responsible for directing the management and administration of the charity.

Tori Biutanaseva – Family Support Co-ordinator

Hazel Want – Administrator

Mandy Groves – Strategic & Development Manager

Funding

Home-Start Spelthorne currently receives core funding from Surrey County Council, Spelthorne Borough Council and Children In Need. However, each year there is a shortfall of about £30000 which needs to be covered through fundraising activities.

How your donations will help

We warmly welcome all offers of support, large or small. As you'll see from the examples below, even the smallest amount can help us to enrich the life of a disadvantage family by helping us to meet day-to-day costs:

- £10 covers a volunteer's expenses for a month
- £30 provides support for a family for a week
- £400 provides annual safeguarding training for our volunteers
- £1,250 supports a family with a home-visiting volunteer for one year
- £2,500 funds one local training course to prepare 10-12 volunteers to support families that need our help

Our volunteer has been our rock, our best friend. She has helped every step of the way when I was expecting my 4th child

Having Home-Start has helped make my life so much easier and has taken away so many pressures. I can't fault the support I have received.

THANK YOU
