Could you volunteer for us?

Become a Home-visiting volunteer

Home-visiting volunteers visit a family regularly for 2-3 hours once a week. The formula is a simple but effective one; a volunteer who has parenting experience themselves, offers emotional and practical support in what ever way the parent is going to find helpful.

Become a Friend of Home-Start Spelthorne

- Have you ever wanted to become more involved with a local charity?
- Are you busy and have only a limited number of irregular hours you can spare each month?
- Do you have unused talents or professional skills that you would like to put to good use?
- Have you considered becoming a Friend of Home-Start Spelthorne and meet like-minded people supporting a vital local children's charity?
- Can you spare some of your time to fundraise, organise or take part in fundraising activities, can you make crafts for us to sell, can you bake cakes, hold a coffee morning, or take part in sponsored events on our behalf?

Become a Trustee

We are always looking for new Trustees with a variety of skills and experience and from a wide range of backgrounds.

Trustees have a wide range of roles but are primarily responsible for making the charity effective, providing overall direction and maintaining sound management of funds.

Trustees need to be able to attend regular meetings approximately once every two months and also be able to devote time outside those meetings to support the charity in delivering its vision.

Being a Trustee can be hard work, but it is also very rewarding, giving many chances for personal development and the chance to give something back to your local community.

Trustees can access training and support from the Home-Start UK and there are opportunities to network with Trustees from other Home-Starts in the region.
