

## What We Do

Every year, our trained volunteers offer practical and emotional support to families with young children who are facing difficulties—whether due to isolation, mental health challenges, financial struggles, or simply the pressures of parenthood. Our work is built on kindness, trust, and the belief that children thrive when families are supported.

## Celebrating Our Volunteers

Over the last 30 years, an extraordinary number of volunteers have given their time, energy, and hearts to help families across Spelthorne.

We are honoured to celebrate them—past and present. They are the reason Home-Start Spelthorne continues to change lives.

## Looking Ahead

As we celebrate our past, we're also looking to the future. With your help, we can continue providing vital support to families for the next 30 years and beyond. If your school, club, organisation, or business would like to be part of our 30th Anniversary celebrations, or if you're interested in volunteering or becoming a Friend, we'd love to hear from you.

Together, we can build a stronger, kinder community for families across Spelthorne.

We would love to welcome you along to one of our events in the year ahead.

### Celebrating 30 Years of Supporting Local Families

For three decades, Home-Start Spelthorne has been at the heart of our community—walking alongside families through challenging times, offering compassionate support, and helping parents give their children the best possible start in life.

This year marks 30 years of making a difference, thanks to the incredible commitment of our volunteers, partners, and local supporters. We couldn't have reached this milestone without you.
