

Playgroups in Spelthorne

Playgroups provide children of pre-school age a chance to socialise with other children. They usually have a range of toys and may offer other activities such as crafts, singing, storytime and snacktime. They provide a relaxed environment where parents/carers can relax and meet with other parents/carers, to share experiences and support each other.

Please see below a list of playgroups which are currently running in Spelthorne, some groups stop running during school holidays - we recommend checking before turning up.
